

STOP

Expensive Clogs

Unflushables create clogs in our sewer system, causing sewer backups and expensive repairs! Utility bills fund these repairs.

Clogs within your property can cause sewer backups, and are your responsibility to fix. Clogs and sewer backups could cost you thousands.

Don't flush it

- » Wipes (toilet, baby, beauty, cleaning). They are not flushable despite what manufacturers say
- » Medications
- » Hair
- » Condoms
- » Plastics
- » Kleenex
- » Tampons
- » Dental floss
- » Paper towels

OK to flush

- » Toilet paper, poo, pee

Actual clog in Sylvan Lake sewer

**DON'T
FLUSH!**
