Rain Barrel Rebate Program Water Conservation Initiative

Rain barrels are an excellent addition to any yard! Collecting and storing rainwater for re-use has numerous benefits including:

- Rainwater is better for your plants and soil
- You will have your own water source in times of drought, or water restrictions
- Water conservation reduces your utility bill cost

As a part of the Water Conservation Initiative, the Town of Sylvan Lake is offering residents a rebate of 50 per cent of the rain barrel cost, up to a maximum of \$50 per rain barrel or \$100 per utility account.

Rain Barrel Rebate Qualification

- Properties must be on the Town's metered water system to be eligible.
- Rain barrels must be purchased within the current calendar year to be eligible.
- To receive rebate, residents must install the rain barrel at the residence associated with their utility account.
- There is a financial cap to this program. Rebate Qualification is on a first-come, first-serve basis; register early to avoid disappointment!
