SUBJECT 2022 Budget - Approval for Circulation to the Public

ATTACHMENTS 01_2022 Budget Overview(2)

21-24 Financial Summaries

10Yr CapPlan,v.2022 (Circulate)

EXECUTIVE SUMMARY

PURPOSE

To approve the proposed 2022 Budget for circulation to the public.

The plan is to submit the 2022 Operating and Capital Budgets and the 10 Year Capital Plan to Council for final adoption on February 14, 2022. At the same time, Administration will request that Council adopt the 2022-24 Financial Plan.

BACKGROUND

On November 30th, December 2nd and 7th, Council received presentations from all departments on the proposed 2022 Budget. Council deliberated and finalized the proposed budget on Saturday December 18th.

After two consecutive years of no municipal tax rate increases, the 2022 Budget proposes a 3.82% municipal tax rate increase for both residential and non-residential properties. Approximately 3.25% of the increase is due to the increasing costs of RCMP for municipalities.

The Town of Sylvan Lake continues to be fiscally prudent by controlling spending, and managing reserves and debt to ensure financial viability in the years to come. Since 2013, the average tax rate increase, for both residential and non-residential properties, has been less than the average Consumer Price Index increase over the same time period. The chart is attached to this report.

A budget survey was conducted by Administration in the fall of 2020 which residents responded indicating the importance of good financial management with 53% indicating a preferred tax strategy of ensuring tax increases do not outpace the cost of living.

In the summer of 2022, paid parking fees will be increased so that visitors to Sylvan Lake in the summer continue to pay for maintenance and upgrades in the waterfront area. This is not a fee paid by Sylvan Lake residents and business owners. This initiative also is a result of feedback from the budget survey and from business owners in the community.

Utility rates will increase marginally for the first time since 2018 to help fund increased operating and capital costs. This financial plan also sees the Franchise Fee Allocation Policy being temporarily rescinded in order to strike a more balanced approach to financial sustainability.

The provincial government is expected to pass its budget in the spring at which time the education tax requisitions will be known. By that time final assessments will be prepared and final tax rates will be set with combined tax and assessment notices mailed out at the end of May 2022.

DISCUSSION

None at this time.

RESOURCE IMPACTS

The 2022-2024 Financial Plan is attached to this report.

ALIGNMENT WITH COUNCIL'S STRATEGIC DIRECTION

Guiding Principle - TRANSPARENT - Municipal decision-making process and communications will be transparent and understandable.

COMMUNICATION STRATEGY

The 2022-2024 Financial Plan will be posted on the Town's website with a hard copy available to the public at the Municipal Government Building. A media release will go out which will also be posted to the municipal website. Staff will again mail a budget highlight postcard to all residents within the community and publish a 'reader friendly' budget summary document and have an online feedback form.

An open house is proposed for Wednesday January 19th, between 4pm and 6pm at the Municipal Government Building. The open house will be advertised in the newspaper and online.

CHIEF ADMINISTRATIVE OFFICER COMMENTS

Support Recommendation

DIVISIONS CONSULTED IN THIS REPORT

All Divisions have been involved in the 2022-2024 Financial Plan preparation.

OPTIONS

- 1. Circulate the 2022-2024 Financial Plan for public input with final adoption of the 2022 Operating and Capital Budgets and 10 Year Capital Plan on February 14th, 2022.
- 2. Circulate the 2022-2024 Financial Plan with amendments, with final adoption of the 2022 Operating and Capital Budgets and 10 Year Capital Plan on February 14th, 2022.
- 3. Postpone circulation of the 2022-2024 Financial Plan pending further review by Council.

RECOMMENDATION

That Council approve the circulation of the proposed 2022-2024 Financial Plan to the public for input with final adoption of the 2022 Operating and Capital Budgets and 10 Year Capital Plan scheduled for February 14th, 2022.

Page 12 of 84

PROPOSED RESOLUTION

- 1. That Council approve the circulation of the proposed 2022-2024 Financial Plan to the public for input with final adoption of the 2022 Operating and Capital Budgets and 10 Year Capital Plan scheduled for February 14th, 2022 Regular Council Meeting as outlined in report AIR-514.
- 2. That Council set the date of Wednesday January 19th, 2022 from 4pm to 6pm at the Municipal Government Building for the public open house session on the proposed 2022-2024 Financial Plan as outlined in report AIR-514.

Report Prepared by:

Darren Moore

Director of Finance

Report Approved by:

Wally Ferris

Chief Administrative Officer

2022-2024 Financial Plan

Deliberated by Council: December 18th, 2021

Budget Presentations

- November 30 Budget Overview; Administration; Corporate Services; Planning and Development.
- December 2 Recreation, Culture, Tourism, and Economic Development; Parks and Protective Services.
- December 7 Public Works including Utilities; FCSS.
- **December 8** Additional evening booked if required.

Budget Deliberations and Approval

- December 18 (Saturday) 2022 Budget Deliberations
- January 10 Council approves 2022 Budget for circulation to the public
- January 19 Budget Open House, Wednesday 4:00 6:00pm (Municipal Government Building)
- February 11 Deadline for public comments on the proposed 2022
 Budget
- February 14 2022 Budget and 2023-2024 operating plan approved by Council including 10 Year Capital Plan

Budget Overview – Assessment

- Assessment growth projected at \$20 million each year for the current 2022-2024 financial plan.
- Market value changes on existing properties are difficult to determine and are projected at 0% for the 3-year financial plan

Budget Overview - Taxation

• For both 2020 and 2021 there was no increase to the core municipal tax rate. This was to assist residents in dealing with the Covid-19 Pandemic and a slow economy.

• No supplemental tax was levied for 2020 and 2021. With signs that the economy is recovering, it is planned to once again have a supplemental tax for 2022. The amount generated in 2019 was approximately \$30,000.

- The 2021-2023 financial plan, approved last year, projected municipal tax increases of approximately 5% each year for 2022 and 2023 to fund the operating budget.
- With minimal assessment growth, combined with a 0% municipal tax rate increase for two consecutive years, the Town's base from which to generate additional tax revenue has been negatively affected. For the 2020 fiscal year, these combined effects resulted in the Town being short \$230,000 in tax revenue and for 2021, the result was a shortfall of \$400,000. These shortfalls each year were covered by accumulated surplus' of prior years.
- Continued reliance on the accumulated equity of the Town is not sustainable.

Town of Sylvan Lake: Tax rates vs. CPI

| Historical Tax Rate increase and CF | l increase | | | | | | | | | |
|---------------------------------------|------------|------|------|------|------|------|------|------|------|--------------|
| | | | | | | | | | | Avg Increase |
| | 2013 | 2014 | 2015 | 2016 | 2017 | 2018 | 2019 | 2020 | 2021 | 2013-2020 |
| Tax Rate Increase % - Residential | 1.9 | 1.4 | 2.0 | 1.9 | 1.4 | 1.9 | 1.2 | 0 | 0 | 1.46 |
| Tax Rate Increase % - Non-Residential | 1.9 | 0 | 0 | 0 | 1.4 | 1.9 | 0 | 0 | 0 | 0.65 |
| | | | | | | | | | | |
| CPI - Alberta | 1.4 | 2.5 | 1.1 | 1.1 | 1.6 | 2.4 | 1.8 | 1,1 | | 1.63 |

Budget Overview - Taxation

• The 2022-2024 financial plan forecasts municipal tax rate increases to fund the operating budget as follows,

- · 2022 3.82%
- · 2023 4.84%
- $\cdot 2024 2.72\%$

Budget Overview - Taxation

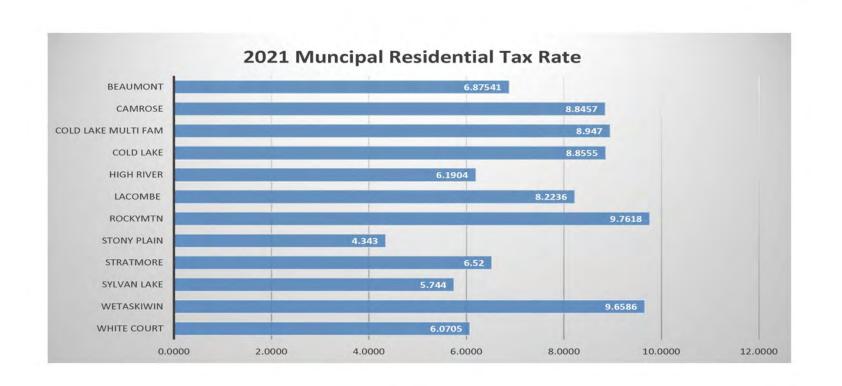

• 2021 Net Municipal Taxes \$16,830,000

• 2022 Net Municipal Taxes \$17,630,000

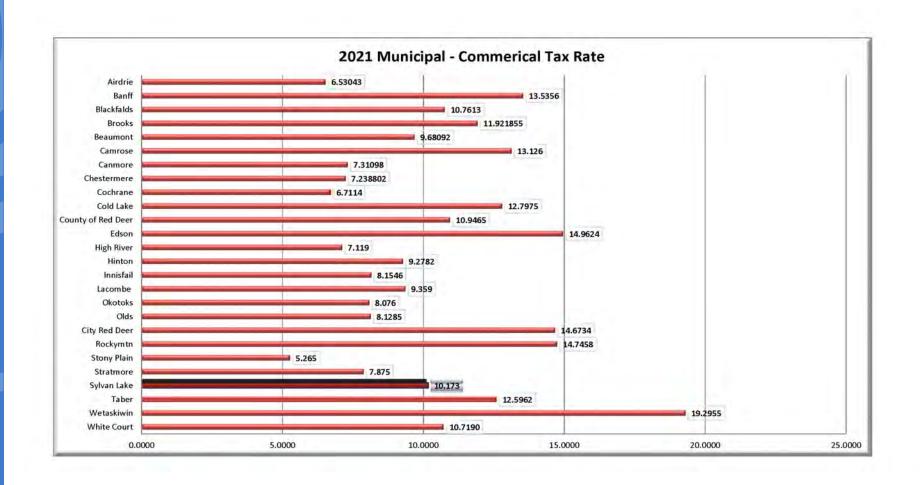

Change in Municipal Taxes \$ 800,000

- Increased tax revenue from assessment growth is projected to be approximately \$150,000.
- Increased tax revenue from proposed municipal tax rate increase of 3.82% for the 2022 Budget is \$650,000.

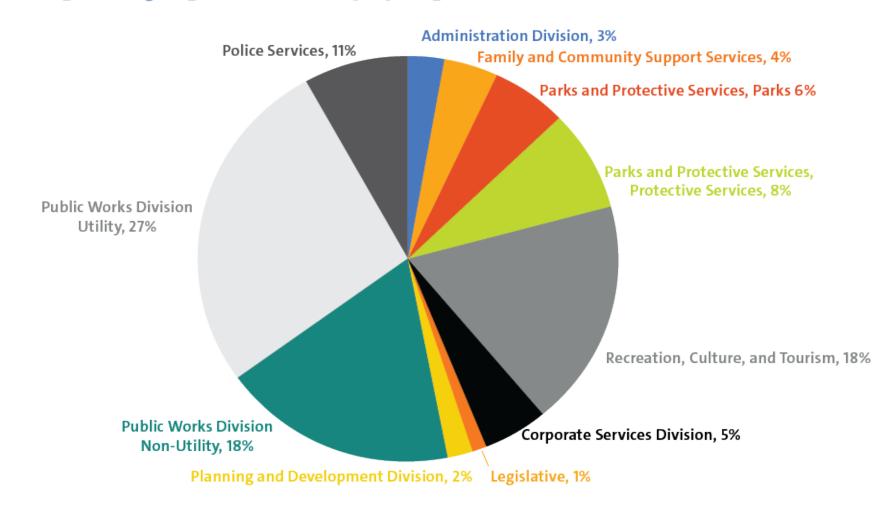

Town of Sylvan Lake: Tax rates comparison

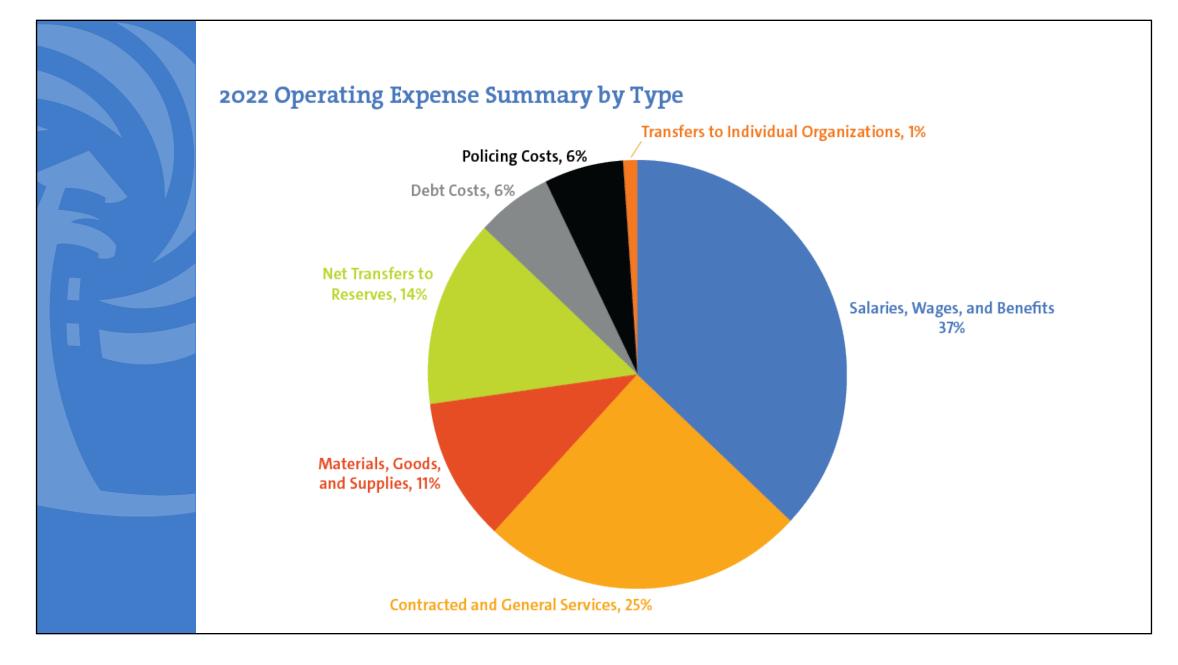

Town of Sylvan Lake: Tax rates comparison

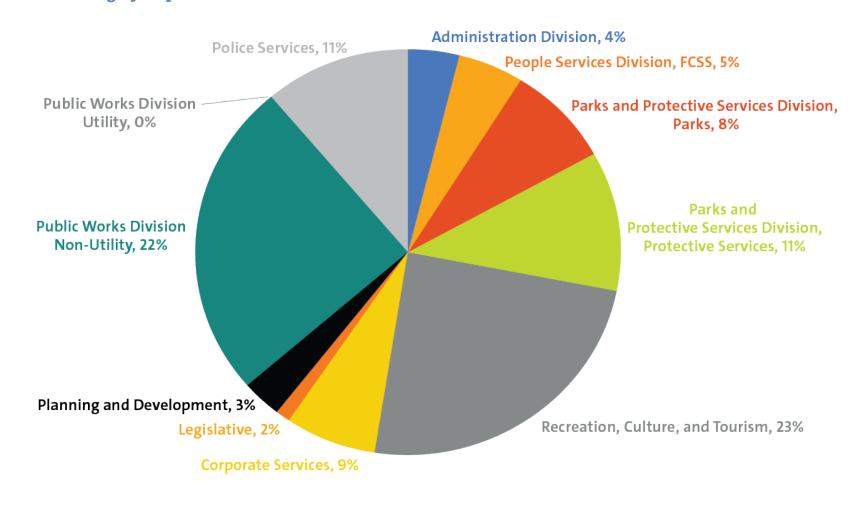

2022 Operating Expense Summary by Department

2022 Tax Funding by Department

Budget Overview - Taxation

- The Recreation Levy remains unchanged in the 2022-2024 financial plan at \$894,000. This levy is equal to and pays the annual debt payment on the NexSource Centre.
- The Transportation Levy in the 2022-2024 financial plan is set to increase to \$500,000 annually from \$475,000 levied in 2021. This levy funds primarily transportation capital projects.

Budget Overview - Highlights

- No Franchise Fee rate increase for Natural Gas or Electricity in 2022.
- Current Town policy outlines that 75% of franchise fee revenue is to be set aside in 2022 into reserve for future capital projects.
- It is proposed to reduce the amount to 50% for 2022 and each year in the 2022-2024 financial plan. The reduced transfer to reserve results in approximately \$660,000 being allocated to the operating budget for 2022.
- This departure from current policy will require Council approval and has longer term effects on the Town's capital plan.
- This change in policy is intended to reduce the pressure on the Town of Sylvan Lake's tax rates.

Budget Overview - Utilities

- With the taxpayers of Sylvan Lake owning their utility system, prior financial plans have included a transfer from utilities to the capital budget each year, as a return on investment to assist with non-utility municipal infrastructure. This amount was \$600,000 in 2021. As a result of significant changes in utility operations, this transfer is being suspended in the proposed financial plan beginning in 2022. The cost of the regional wastewater system, new water reservoir, and lagoon reclamation have resulted in the Town's utility system projected to be underfunded for the next several years.
- Utility rates are being increased in the proposed 3-year financial plan and are summarized in the following slides.

Page 31 of 84

Solid Waste Rates

- Waste Transfer Site Tippage rate increase for Sylvan Lake solid waste customers (from \$98 to \$100/tonne) and an increase for nonresidents/businesses (from \$136 to \$138/tonne)
- Rate increase to Blue Cart (recycle) customers (from \$6.25 to \$6.50/month) – tippage rate increase from \$185 to \$190.50/tonne
- Rate increase to commercial cardboard recycling customers (from \$7 to \$7.25/month)
- Rate increase to Black Cart (garbage) customers (from \$19 to \$19.50/month) – Red Deer's current landfill rate is \$77/tonne
- Cart rate increases will add \$0.75/month \$9/year per household
- Rates reflect an increase to tippage and other costs
- First rate increases for garbage and recycling since 2016
- \$660K to reserves (net \$400K) up \$39K
- Waste Transfer Site subsidy of \$260K up \$24K

Utilities

Budget Overview – Highlights

- Provincial Government
 - The Province has revenue and debt challenges as a result of the slow economy and the ongoing pandemic.
 - Municipal Sustainability Initiative (MSI) funding is being reduced. For 2022 and 2023, the grant is being reduced by 60%. This will reduce the Town's capital program in the coming years and the ability to fund various projects.

Budget Overview – Highlights

- The resulting effect of a stagnant tax base, reduced provincial grants, strained reserves and infrastructure pressures, is a reduction in the budget of the next phase of Pogadl park and increased debt to fund growth projects.
- Pogadl park budget for the next phase is being reduced to \$7million in 2023 from the original \$11million with the full amount being debt financed.
- Utility infrastructure for growth projects will be funded from debt beginning in 2023 as the Town's internal equity position is unable to finance and sustain the planned development related projects.

Budget Overview - Highlights

• With the Town expecting to surpass 15,000 inhabitants in the recent census, the Town of Sylvan Lake will begin next year to pay 90% of policing costs with the province paying 10%. This will result in approximately a \$550,000 increase in RCMP costs for 2022 to just over \$2,700,000 and increasing to approximately \$3,000,000 annually in 2023 and 2024.

Budget Overview - Highlights

- The 2022-2024 financial plan has no wage market adjustment for staff. Council will review and adjust in subsequent years based on market conditions. Wage grid movements are included each year in the financial plan.
- Core budget expenditures have not been adjusted for inflationary pressures for 2022 and 2023. A 2% inflationary adjustment has been added for 2024; this is the first time in 5 years core budget expenditures will be increased for inflationary pressures.

Budget Overview – Highlights

- Community grants for non-profits have been eliminated from 2022 and 2023 budget years and are planned to be re-instated in 2024.
- Recreation, Culture and Tourism has eliminated the Community Spirit Grant of \$57,000 as well as the RCT Community Grant of \$107,000.
- FCSS reduced external grants by \$70,000 in 2021 with a further reduction to Nil for both 2022 and 2023.

Budget Overview - Highlights

• Operating contingency in the 2022-2024 financial plan is \$130,000 for 2022, \$145,000 in 2023, and \$160,000 in 2024. These amounts are in accordance with Town Policy.

 Allocation to reserve for future building maintenance is \$115,000 in 2022, \$130,000 in 2023, and \$145,000 in 2024. These allocations are in accordance with Town Policy.

Budget Overview - Highlights

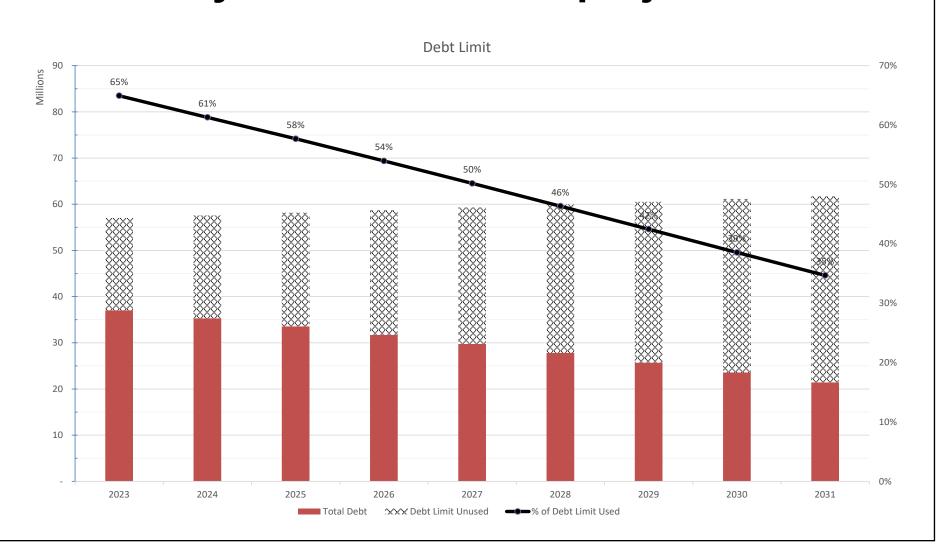

- Reserve balances
 - Town has lowest amount in reserves in past 15 years.
 - Many reserves have restricted use such as offsite levy reserves collected from development.
- Debt limit
 - Town policy limits amount of debt to 70% of the maximum allowed under Provincial government regulations. Next budgeted borrowing to take place in 2023 for Pogadl Park and Sanitary Sewer North Trunk Main Phase 1 and 2 growth projects, which will take the Town's debt load to approximately 65%.
